Livello europeo (*) **A2**

TECHNICAL SKILLS AND COMPETENCIES

He is currently engaged in research focused on innovation and the digitalization of Sicilian agri-food supply chains, with the aim of enhancing their competitiveness in global markets. His research focuses in particular on the sustainability of short supply chains, the implementation of voluntary quality certifications, and the development of strategic marketing models aimed at promoting and protecting high-quality products.

INTERPERSONAL SKILLS AND COMPETENCIES

The work I have done to date has enabled me to significantly develop my interpersonal skills, as well as my organizational, time management, and work planning abilities.

I possess strong communication skills at multiple levels and a solid command of both spoken and written language, thanks to an excellent educational background and extensive personal reading across a wide range of subjects.

I have also developed strong interpersonal skills through the roles I have held, particularly in recent years, and through my involvement in competitive sports.

I am a person who takes responsibility, is determined, and is practical in the roles I undertake. I have strong teamwork skills.

COMPUTER SKILLS AND COMPETENCIES

Strong computer skills

Proficiency in using a personal computer.

Proficiency in using business management software and the Microsoft Office suite.

OpenOffice suite - Teamwork - Social media

Proficiency in using CAD software

IT certifications: Coding, LIM, IT tools, Tablets
